

Miss Butler's Classroom News

The Month of October 2017

Email: {alli.butler@m.kckps.org}

Our Month of Learning

Writing: This month we will learn about how writers use punctuation to make their books interesting.

Reading: As readers, we will be comparing and contrasting two versions of the same story.

Math: In math, we will be learning how to add and subtract two digit numbers, with regrouping.

Social Studies: We will be learning about how people used to live in the past. Over fall break, students will interview an older family member about how they grew up.
